Cross Words

It is so nice to be back up and running and be back in the business of learning!!!! After months of uncertainty & no small amount of stress, we were thrilled to open the doors last Thursday and bring our kids back to school!!!

We've had a great first week of classes, and we're slowly but surely getting used to the changes that are letting us run a clean & safe building. I need to give a huge thanks to our custodial staff of **Gay, Mary Ann, Amy & Marilyn** who are going above & beyond every day to keep our hygiene protocols up to standard.

We've had a number of staff changes this year, and we have a bunch of people to welcome. **Ms. Bry Materi** is our new Foods & PE teacher, **Ms. Hannah Perry** is our new grade 6/7 teacher, **Mrs. Monique Sheehan** is our new grade 4/5 teacher, & **Ms. Kathleen Paul** is our new junior Science teacher. We've also welcomed **Mrs. Janice Prichard & Mrs. Michelle Duperrault** to our support staff. Finally, we're welcoming **Mr. Mike LeDuc** to his new position as Vice Principal.

There are a few new safety protocols we've put in place for the foreseeable future, and while most of them apply to our staff & students, some of them apply to you, our parents & grandparents. For the next little while we must ask the following:

- Please phone ahead when you are coming to the school, even if it's just to drop something off as we have to manage traffic flow in the hallways and minimize outside visitors
- Please put on a non-medical mask before you come into the building
- Please wash your hands or use the hand sanitizer pump in the front hall.
- Please check in at the office using the newly installed window wicket.

School Picture Day will be September 24, so bring your best smiles. This year we'll be welcoming Kevin & Laurie Wallace of Wallace Studios, and they'll be doing a great job of bringing out our best sides 😊

Have a great week!! Go Cougars!
