

Summer Reading Program

*'If you participated in the
Summer Reading Program,*

&

*haven't returned your books, could you please bring your books back
to the library. You may keep the bag for your own use.'*

Thank You

Junior Initial Attack

All Grade 12 students interested in signing up for the Junior Initial Attack Program should stop by Mr. V's office and pick up the application package. Stage 1 of the process must be completed by Thursday, November 12th. It's a lot of paperwork, so get started today.

ATTENTION:

Junior Curlers - Grade 4 - 12

The community **Fraser Lake Curling Club** is looking to see how much interest there is for a January start-up. They will be following the protocols from CurlBC for COVID 19.

If you are interested in curling,
PLEASE let Mrs. Diana Lindstrom know.

Winter weather is fast approaching.

Being outside is very healthy and students spend their breaks and part of lunchtime outside. The snow that we've had has been very wet, creating mud and puddles. As a result the students' socks and clothes are wet when they come in from outside.

It might be handy to have an extra pair of socks in their back packs for such occasions.

FLESS

Sports Corner

Volleyball Practices

Grade 8 Girls

Mondays from 3:30 - 4:30 pm

BC School Sports

is still in Stage 2 of its COVID Protocol which means teams can only practice within their own cohort at this time and no games will take place with schools/teams. BC School Sports has now moved the Winter Season from November 30th to January 4th, which means Basketball (Girls and Boys), Curling, Skiing/Snowboarding, Gymnastics and Wrestling practices cannot start until this date. As updates happen we will pass them along. Reminder that anyone wanting to work with a team in any capacity must take the Mandatory Concussion Awareness Training Tool Certification.

Halloween for Humanity

Thank you to the group for collecting
NON-Perishables

&

Thank You to the community for your
Generous Donations

Halloween for Humanity

If you have **NON-Perishable ITEMS** that
didn't get picked up on **October 31,**
Halloween night

and would still like to make a donation of
NON-Perishable ITEMS,
Please feel free to bring the
NON-Perishable ITEMS

As Soon As Possible
to FLESS

Thank You

Very Much for your Donation

FLESS Athletes

At this time our sports teams can only practice and who knows what it will look like 1 month, 3 months, etc.. from now, but if you would like to be a part of a team in any capacity you need to complete the Concussion Protocol course before you do anything with the team. The link is below and when you complete it please send me your certificate or photocopy it and give it to me.

What Are You Thankful For?

From some of FLESSs' students.

Long weekends . . . Family . . . Help in the classroom . . . My boat & trailer . . .
Summer, winter & spring breaks . . . Friends . . . Staff at FLESS . . . Breaks . . .
Hockey . . . Sports . . . All Front-line workers . . . To be able to hear . . . Food . . .
Glasses, clean water & blankets . . . Health . . . A SMILE to cheer me up . . .
My home . . . Noise in the hallway, it reminds me that people are here . . .
Flowers . . . Sunshine . . . To be able to see . . . The snow . . . To be here . . .
The rain . . . Stories . . . Warm clothes . . . Shoes & boots . . .

An Activity that was done at Thanksgiving by Leadership

Cross Words

Last weekend's time change led to some bleary eyes and tired souls on Monday, and we're gradually getting used to the sun rising and setting just a little bit earlier. Winter has held off for another week and we've enjoyed the sunshine.

A huge thanks to our SD91 maintenance crew & Hurry Help for their landscaping work out back this week. After our outside construction this summer, it was a little mucky out back. On Wednesday, the dump trucks and compacters arrived, and we've got a spectacular base to walk, run, and play on. It looks great!!

It's a busy couple of weeks for our Grade 12s. This week, a large number of them wrote their Graduation Numeracy Assessment, and starting on Monday, they will be presenting their Capstone Project for graduation. These presentations are always a highlight of the year as our students get a chance to really show off who they are, how they've grown, and let us know about their plans for "what's next". We're very much looking forward to seeing what they come up with.

Over the next few weeks, we're coming up on report cards at both ends of the building. Term 1 elementary report cards are coming into the office at the end of the month and will be home shortly after. In the secondary school, we've got final projects and exams going on over Thursday & Friday next week, and report cards will be coming home the week after.

For our secondary students, quarter 2 will be starting on **Tuesday, November 17**. Students will have 2 new classes to focus on, and we'll be continuing with the schedule we established in quarter 1. **Monday, November 16** is a transition day for secondary staff, and there will be no school for our grade 8-12 students. They can have a well-earned sleep in that day.

Have a great week! Go Cougars!!
