## ATTENTION:

### Junior Curlers - Grade 4 - 12

The community Fraser Lake Curling Club is looking to see how much interest there is for a January start-up. They will be following the protocols from CurlBC for COVID 19.

If you are interested in curling,  
PLEASE let Mrs. Diana Lindstrom know.

### Volleyball Practices

#### Grade 8 Girls

Are on Mondays  
3:30 - 4:30 pm

## BC School Sports

has now made it mandatory for all coaches, team managers, trainers, and teacher sponsors to take the Concussion Awareness Training Tool Certification before any activities (practices, tryouts, workouts, etc.) take place with student-athletes. Once completed, please send your completed certification to Mike LeDuc at [mleduc@sd91.bc.ca](mailto:mleduc@sd91.bc.ca). If you are not planning on being a part of a school team the information on the training session is beneficial for everyone. There is no cost to complete the certification and it takes about 40 minutes.

### FLESS Athletes

*At this time our sports teams can only practice and who knows what it will look like 1 month, 3 months, etc.. from now, but if you would like to be a part of a team in any capacity you need to complete the Concussion Protocol course before you do anything with the team. The link is below and when you complete it please send me your certificate or photocopy it and give it to me. Thanks.*

## Cross Words

Mother Nature continued to make life interesting this week, with a whole lot of snow on Monday morning and then a mix of highs and lows the rest of the week. It was great to see so many of the kids ready for fort building and whatnot on Monday, and we saw lots and lots of warm jackets, toques, and mitts. It's also a great idea to have some dry socks in the backpack just in case feet get wet from a boot full of snow.

On Tuesday afternoon, we had our first PAC meeting of the year and elected this year's executive. Congratulations to Kim Senner – President, Nancy Loughheed – Vice-President, Janelle Cochrane - Secretary, & Edna Vanwerkhoven – Treasurer, on their roles for the coming year and thank you all so much for giving of your time this year and being a valuable contribution to the school community. Our next meeting will be December 9 at 3:30 pm, and we will once again be meeting in the library. If you couldn't make the first meeting, we'd love to have you join us at the next one.

In the next couple of weeks, our secondary students will be gearing up for Quarter 1 final exams & projects, Graduation Transition presentations, two sets of Provincial Literacy & Numeracy Assessments, and getting ready to move on to new courses on November 16<sup>th</sup>. Now is a great time to check in with teachers and make sure that all assignments have been handed in, all make up tests have been completed, and to start prepping for what is sure to be a busy couple of weeks.

Our afterschool volleyball practices are continuing, and last week, we received notice from BC School Sports that the fall season will be extended until the end of December, and that the Winter season will start up after the Christmas break. This gives us another six weeks of volleyball, and time for the learning groups to think about whether basketball is something they'd be interested in after Christmas.

Have a great week!! Go Cougars!!
